

Are you already using our Webshop?

The new Webshop of Veiling Rhein-Maas has been launched in 2020. With this additional purchasing and sales channel, customers and suppliers of the marketplace in Straelen-Herongen have the opportunity to buy or offer cut flowers and potted plants online. By introducing the Webshop, Veiling Rhein-Maas is responding to the wishes of customers and suppliers for a further digitalised marketplace. Are you interested in purchasing or offering products in the Webshop? Then please get in touch with the employees of Clock Service.

Your benefits

- additional purchasing and sales channel
- wide assortment: regional products, arrangements and niche products
- flexible and location-independent purchasing
- no additional costs
- logistical handling via Veiling Rhein-Maas as usual
